

## OLPH Youth Ministry Service Events ~ 2008/2009

I agree to participate in the (3) service events which are required to be a member of the Basketball Team. I have chosen either (1) major or (2) minors on this form for the service event within Parish Youth Ministry Program. I agree to help clean the Parish Center after each practice or game and to participate in the service event that my team decides to do together with our coach. If I am unable to attend any event, I will contact my coach and select another event.
